

2020-2021 Catalog

Senior Urology Clerkship - Jacksonville

SUR E 9J | 4th Year Elective | Urology | Clinical Science

MDT 7600

Prerequisites

4th year medical student

Course Description

The Fourth year elective is designed specifically for the student with a serious interest in a residency in urology. The level of responsibility will be the same as a 1st year resident. Students serve as the primary physician under faculty supervision for outpatient clinic and in-patient consults. Students will be expected to take a more active role in the operating room as well as pre-operative and post-operative care of urologic patients under the direct supervision of the urology staff. Self-education is stressed; but students also attend major departmental conferences. Recommended text for reading is an excellent understanding (i.e. read in preparation) of, "Smith's General Urology," Emil A. Tanagho and Jack McAninch Editors, most current edition is #18 at the time of this updated course description.

Course Faculty and Staff

- [Dani Brown](#) (Course Staff)
- [Frank J Genuardi MD, MPH](#) (Other Faculty)
- [Joseph Costa DO](#) (Other Faculty)

Meeting Place and Time

8:00am in Urology Office Suite, 2nd Floor Faculty Clinic. Cheri McCullough, Executive Assistant (904-244-7340), will direct students to next place of learning.

Course Materials

Handouts - Suggested text: Smith's General Urology
