

Presentations/Publications

Hassid VJ., Sakorafas G. Optimal Management of Women at High Risk for the Development of Breast Cancer. Submitted for publication to the Greek Medical Journal "Iatriki" (Medicine).

Hassid V., Kerwin A, Schinco M., Tepas J., Frykberg E. Congenital Anomalies Presenting as Acute Orthopedic Trauma. *Journal of Trauma*, in press.

Bestoun A. Pain Control After Laparoscopic Cholecystectomy. American College of Surgeons, Presentation. October 2007.

Graham D. A Simplified Method For Trauma Center Performance Assessment Using National Benchmarks. Florida Committee on Trauma, Resident Paper Presentation. October 2007.

Graham D. Are NTDB Benchmarks Valid? American Association for the Surgery of Trauma, Poster Competition. September 2007.

Graham D. Telomerase Staining Enhances Diagnostic Accuracy of Fine Needle Aspiration Breast Biopsy. Florida Cancer Conference, Resident Paper Competition. September 2007.

Graham D. Telomerase Staining Enhances Diagnostic Accuracy of Fine Needle Aspiration Breast Biopsy. University of Florida College of Medicine -Jacksonville Research Day. May, 2007.

Graham D. Benchmarking Blunt Hepatic Injury: Comparing A Single Institution's Treatment Strategies and Outcomes with the National Trauma Data Bank. University of Florida College of Medicine - Jacksonville Research Day. May 2007.

Graham D. Telomerase Staining Enhances Diagnostic Accuracy of Fine Needle Aspiration Breast Biopsy. Florida ACS.Resident Paper Competition Second Place Award. May 2007.

Graham D. Comparison of General Surgery and Family Medicine Resident Self-Perceptions in Level of Competence with Palliative Care. Southeast Surgical Congress, Poster Competition. February, 2007

Hassid V., Alrawi S., Awad Z. Laparoscopic Vagotomy and Pyloroplasty. *JSLs*. 2007;11(2):S65

Hassid V., Cole M., Awad Z. Laparoscopic Duodenojejunostomy for Superior Mesenteric Artery Syndrome. *JSLs*. 2007;11(2):S65

Hassid V., **Kerwin A.**, **Schinco M.**, **Tepas J.**, **Frykberg E.** Congenital Anomalies Presenting as Acute Orthopedic Trauma. University of Florida College of Medicine – Jacksonville Research Day. May 2007.

Hassid V., **Cole M.**, **Awad Z.** Laparoscopic Duodenojejunostomy for Superior Mesenteric Artery Syndrome. Society of Laparoendoscopic Surgeons. 2007.

Hassid V., **Alrawi S.**, **Awad A.** Laparoscopic Vagotomy and Pyloroplasty. Society of Laparoendoscopic Surgeons. 2007.

Orlando F. Aberrant Crypt Foci. University of Florida College of Medicine – Jacksonville Research Day Poster Presentation. May 2007.

Hassid V., Schinco M., Tepas J. et al. Definitive Establishment of Airway Control is critical for Optimal Outcome in Lower Complete Cervical Spinal Cord Injury Patients. *J Trauma*. 2006;60(1):254.

Graham D. Benchmarking Blunt Hepatic Injury: Comparing a Single Institution's Treatment Strategies and Outcomes with the National Trauma Data Bank. Florida Committee on Trauma Resident Paper Competition First Place Award. October 2006.

Graham D. Antibiotic Cost of Nosocomial Pneumonia is Reduced by a Bedside Procedure. Florida ACS Resident Paper Competition First Place Award. May 2006.

Graham D. Antibiotic Cost of Nosocomial Pneumonia is Reduced by a Bedside Procedure. University of Florida College of Medicine - Jacksonville Research Day. May 2006.

Hassid V et al. Definitive Establishment of Airway Control is critical for Optimal Outcome in Lower Complete Cervical Spinal Cord Injury Patients. University of Florida College of Medicine – Jacksonville Research Day. May, 2006.

Hassid V. et al. Definitive Establishment of Airway Control is critical for Optimal Outcome in Lower Complete Cervical Spinal Cord Injury Patients. Western Trauma Association. 2006.

Leaphart C. Toll Like Receptor 4-Mutant Mice Are Protected From The Development of Necrotizing Enterocolitis Through Effects On Bacterial Translocation And Enhanced Intestinal Restitution. University of Florida College of Medicine – Jacksonville Research Day Poster Presentation. May 2006.

Messiner R. Thoroscopic Approach of Transdiaphragmatic Resection of Retroperitoneal and Thoracoabdominal Tumors. The SAGES Scientific Session Poster Presentation. April 2006.

Diaz D. Prostate Outreach Program's Physicians Survey Project. University of Florida College of Medicine - Jacksonville Research Day Poster Presentation. May 2005.

Hassid V. et al. Intubation is Mandatory in Lower Complete Cervical Spinal Cord Injury Patients. The Florida Committee on Trauma Presentation. 2005.

Leaphart C. Interferon-Gamma Displaces Connexin43 from Lipid Rafts in a Phorbol Ester Dependent Manner Resulting in Impaired Enterocyte Communication and Migration. The American College of Surgeons Forum on Fundamental Surgical Problems Resident/Fellow Excellence in Research Awards. October 2005.

Messiner R. Small Bowel Necrosis Related to Enteral Nutrition Following Duodenal Surgery. University of Florida College of Medicine – Jacksonville Research Day Poster Presentation. May 2005.

Messiner R. Small Bowel Necrosis Related to Enteral Nutrition Following Duodenal Surgery. The Southeastern Surgical Congress Presentation. February 2005.

Tracy S. Urgent Airway Intervention: Does the Outcome Change with Personnel Performing the Procedure? University of Florida College of Medicine - Jacksonville Research Day Poster Presentation. May 2005.

Tracy S. Urgent Airway Intervention: Does the Outcome Change with Personnel Performing the Procedure? Western Trauma Association 35th Annual Meeting Oral Presentation. February 2005.

Leaphart C. Gender Dimorphism is not a Factor in Pediatric Trauma. University of Florida College of Medicine - Jacksonville Research Day Platform Presentation. April 2004.

Leaphart C. Outcome from Pediatric Injury is not Gender Dependent. The Eastern Association for Surgery of Trauma. January 2004.

Messiner R. Traumatic Abdominal Wall Hernia: Diagnostic Dilemma. University of Florida College of Medicine - Jacksonville Research Day Poster Presentation. April 2004.

Messiner R. Diagnostic Yield of Routine Pancultures in the Evaluation of Ventilated Patients with Fever in the Surgical Intensive Care Unit. The Florida Committee on Trauma Presentation. November 2004.

Tracy S. Urgent Airway Intervention: Does the Outcome Change with Personnel Performing the Procedure? University of Florida College of Medicine - Jacksonville Research Day Poster Presentation. April 2004.

Tracy S. Urgent Airway Intervention: Does the Outcome Change with Personnel Performing the Procedure? The Florida Committee on Trauma Presentation. November 2004.

Leaphart C. Outcome from Pediatric Injury is not Gender Dependent. Florida Committee on Trauma Resident Paper Competition. November 2003.

Moutzouris DA, **Hassid VJ.** Seasonal Variation of Atrial Fibrillation: Further Supportive Evidence. *Epidemiology.*2003 Jan; 14(1):127

Schinco M., Miranda F., Tepas JJ., Murphy TL., **Hassid VJ.** The Role of Adjunct Anti-Hypertensive Therapy in Blunt Aortic Injury: A Retrospective Analysis. University of Florida College of Medicine - Jacksonville Research Day. May 2003.

Schinco MA., Miranda FE., Frykberg ER., Murphy TL., Kerwin AJ., Griffen MM., **Hassid VJ.**, Tepas JJ. Precipitous Respiratory Failure in Patients with Low Cervical Spinal Cord Injury: An Underappreciated Problem. American Association for the Surgery of Trauma. 2002.
