**SUBJECT:** 2008-2009 Mandatory Provider Education Sessions

The University Of Florida College Of Medicine Jacksonville Billing Compliance Plan calls for the education of providers in order to ensure understanding of ever-changing government regulations. Since the organization views these educational opportunities as critical to our success, training modules are offered to help providers fulfill their mandatory training requirements (see page 2 for training times and locations).

As a **NEW PROVIDER** you must attend one full-day session of training comprised of Module A1 & Module C within **60** days of your start date.

Attendance at one of these sessions **must be scheduled**, in advance, **within 60 days of your actual start date**. Pre-registration is required in order to tailor the session to the specialty of the providers attending and to ensure adequate training materials are available.

EXCEPTION: The 60-day training deadline for modules A1 and C is not applicable to New Providers who have been hired into the hospital-based departments of anesthesiology, radiology or pathology or providers practicing at remote locations such as Holmes Regional Medical Center or Winter Haven Hospital. Hospital-Based Providers and Remote Providers shall be required to attend the first available specialty specific Module A and C training provided in their department or at their off-campus location.

To schedule a session, please contact Yvonne Smith at 4-5360 or [yvonne.smith@jax.ufl.edu](mailto:yvonne.smith@jax.ufl.edu). Please be sure to arrive on time for your scheduled sessions, as attendees arriving more than 15 minutes after the start of a session will be required to reschedule.

**Individualized certificates** will be provided to attendees of Modules A and C at the completion of each module. A sign-in sheet will also be utilized. In the event attendance at a session is called into question, it will be the provider's responsibility to produce the original certificate as proof of attendance if his/her signature is not on the sign-in sheet.
