For more information regarding abstract requirements view the forms on the Office of Educational Affairs bridge page or on the New Innovations homepage. You have to be on a UF computer to access the forms (which can then be saved on any device to be worked on before submission) or accessed through New Innovations from anywhere.

E-mail all abstract forms and related attachments to ora@jax.ufl.edu for submission. You will receive a confirmation receipt within two days. If you do not receive a confirmation, e-mail ORA or call 244-9478.

*Number of awards will be based on submissions.

** Photo release form available under the view forms link above.

For help with data analysis and services from the Center for Data Solutions and their submission deadlines, view the Center for Data Solutions Timeline.
