

Department of Community Health and Family Medicine
University of Florida Health Science Center at Jacksonville

Faculty and Resident Scholarly Activity

Academic Year 2016-2017

Grants

Grewal R (Principal Investigator), **Webb F, Jones R, Shah N** (Co-Investigators), et. al. CDC grant involving HIV and Telemedicine Care, submitted 5/25/17.

Scuderi C. American Cancer Society, Inc Colorectal Cancer Partnership Awards: Increasing Colorectal Cancer Screening Rates Through the Patient-Centered Medical Home. Submitted to the American Cancer Society, November 2016.

Webb F. National Institutes of Health. ‘Sustainability of Physical Activity in African American women using Intrinsic Motivation Intervention.’ Submitted to NIH, October 2016.

Shenkman E, Jones R, Rosenberg E, Roth B. Pragmatic Randomized Investigation of Surgery vs Multidisciplinary. PCORI OneFlorida Research Consortium. Submitted July 21, 2016.

Shah N, Webb F, Petty L, Hannah L, Ray T. An Analysis of HgA1C Outcomes on Patients with Type II Diabetes and Timeliness of Referral to Endocrinologist. Submitted proposal to Dean’s Fund Research Grant Award, July 20, 2016.

Liao W, Gautam S, Shah N, Webb F, Hannah L, Dore S. Prevalence of Salt Sensitivity (Salt Retaining Tendencies) Among Four Ethnic Primary Care Populations in Jacksonville Florida - A Pilot Epidemiology Study. Submitted proposal to Dean’s Fund Research Grant Award, July 20, 2016.

Haddad C, Haddad J, Bilello L. The Effect of Fake IDs on Underage Alcohol Drinking on College Campuses. Submitted proposal to Dean’s Fund Research Grant, July 2016.

Haddad J, Haddad C, Bilello L. A Comparative Research Study for Weight Reduction in Primary Care. Submitted proposal to Dean’s Fund Research Grant, July 2016.

Presentations

Apatu E, Cohen I, Landry K, & **Webb F**. Breaking Bread: Lessons Learned from the Jacksonville Community Health Partnership. Submitted for presentation at the APHA 2017 Annual Meeting & Expo, November 4 – 8 2017.

Udongwo V., Haddad C. Human Papillomavirus immunization completion rates Increased by the use of the American Academy of Pediatrics tool kit. Abstract acceptor for Poster Presentation at University of Florida, 5/20/2017.

Scuderi C. Co-Director of Conference Florida Osteopathic Medical Association District 2 18th Annual Primary Care and Cardiovascular Symposium FOMA District 2, St Augustine, Florida, 05/2017.

Grewal R. Herbs and Supplements, 18th Annual Primary Care and Cardiovascular Symposium, Florida Osteopathic Medical Association, St Augustine, FL, 05/2017.

Scuderi C. Practice Transformation: Improving Quality and Safety Using a Team-Based Approach (Invited Live) Florida Osteopathic Medical Association District 2 18th Annual Primary Care and Cardiovascular Symposium FOMA District 2, St Augustine Florida, 05/2017.

Grewal R. Advance Care Planning Update 2017, 18th Annual Primary Care and Cardiovascular Symposium, Florida Osteopathic Medical Association, St Augustine, FL, 05/2017

Coleman, JL. Whiplash and Concussive Injuries. Podium Presentation: UF Health Occupational Medicine Symposium. Jacksonville, FL, May 2017.

Webb F. Conducting Research Essential to the Community: Opportunities for Engagement. Presented at the Minority Women in Research Network Workshop funded by the Patient Centered Outcome Research Institute (PCORI), April 21, 2017, Scottsdale, Arizona.

Arango C. Pediatric Resident Lectures, ADHD, UF Health Jacksonville, Jacksonville, Florida, (04/17).

Coleman, JL. Emerging Non-Operative Treatment Modalities for Knee Osteoarthritis. Podium Presentation: Florida Osteopathic Medical Association (FOMA) 18th Annual Primary Care and Cardiovascular Symposium. St. Augustine, FL, April 2017.

Haddad C. H.E.D.I.S. Quality measurement improvement over one-year utilizing group educational interventions. Abstract accepted for Poster Presentation. University of Florida, 04/2017.

Haddad C. Human Papillomavirus Immunization completion rates increased by the use of the American Academy of Pediatrics Tool Kit. Abstract accepted for Poster presentation. University of Florida, 04/2017.

Grewal R. How to Pursue a Career in Medicine, Health Occupations Student Association, Atlantic Coast High School, Jacksonville, FL, 04/2017.

Haddad J. International lecture presentation on suturing techniques, 03/04/2017.

Grewal R. Joint Injections, UF College of Medicine Family Medicine Interest Group, Jacksonville, FL, 03/2017.

Coleman, JL. Concussions: an update. Podium Presentation: Simon Doff Visiting Professorship Lecture Series. Jacksonville, FL, March 2017.

Haddad C. International Presentation on Joint Injections to UF Global Health students in San Francisco de Macoris, 3/4/2017.

Haddad J. Panelist on Body Talk: Everything You Need to Know About Sexual Health and Body Image. A UF health disparities research and intervention program, 2/25/17.

Haddad C. Procedure and Personal Safety Presentation to University of Florida Medical students going on Medical Mission trip to the Dominican Republic. UF Medical School Gainesville Florida, 2/18/2017.

Haddad J. Lecture to medical students in UF Gainesville: Global Health trip lecture on Needle safety, blood borne pathogen and mosquito protection. 2/18/17

Scuderi C. Improving Office Efficiency Using a Team-based Approach (Invited Live) University of Florida Internal Medicine Update; Jacksonville, Florida, 02/2017.

Scuderi C. Team-based Care Update 2017 (Invited Live) Emerald Coast Medical Society Annual CME, Destin Florida, 01/2017.

Scuderi C. Prediabetes Screening and Treatment in Diabetes Prevention: The Impact of Physician Attitudes; National Practice Based Research Annual Conference 2016, Colorado Springs, Colorado, 11/2016.

Webb F, Khubchandani J, Hines M, Balls-Berry J, Stanford J. Physical Activity Practices and Self-Efficacy of African American Women Participating in the Winning Over Weight Wellness Program. Oral Presentation at the American Public Health Association's 2016 Annual Meeting and Expo, Denver Colorado, Oct 29 – Nov 2, 2016.

Scuderi C and Cadet J. Healthy Eating for Diabetes. Presented to the Jacksonville Aviation Authority, Jacksonville, Florida, October 5, 2016.

Arango C. Sleep Disorders. Presented at the Department of Pediatrics Grand Rounds, UF Health Jacksonville, Jacksonville, Florida, October 2016.

Grewal R. An Unusual Case of Gynecomastia, Poster Presentation, American Academy of Family Physicians FMX, Orlando, FL 09/2016.

Grewal R. An Unusual Migratory Rash, Poster Presentation, American Academy of Family Physicians FMX, Orlando, FL 09/2016.

Scuderi C. Poster Presentation on “Prediabetes Screening and Treatment in Diabetes Prevention: The Impact of Physician Attitudes”. National Practice Based Research Network Conference 2016, Bethesda, Maryland, 07/2016 (Poster Presentation)

Academic Year 2016-2017

Grants

Scuderi C. American Cancer Society, Inc Colorectal Cancer Partnership Awards: Increasing Colorectal Cancer Screening Rates Through the Patient-Centered Medical Home. Submitted to the American Cancer Society, November 2016.

Webb F. National Institutes of Health. ‘Sustainability of Physical Activity in African American women using Intrinsic Motivation Intervention.’ Submitted to NIH, October 2016.

Abstract submitted and accepted to University of Florida Health Science Center Research Day, March 2012.

Obiaja K. Establishing Primary Care in an Underserved Rural North Florida Community – Opportunities and Challenges. Abstract submitted abstract and presented poster at University of Florida Health Science Center Research Day, March 2012, May 2012.

Scuderi C and **Lorbeer C**. From Crawling to Running: Helping Medical Students Understand and Implement Innovative Chronic Disease Management Techniques submitted abstract and presented poster at UF Advances in Medical Education and University of Florida Health Science Research Day, March 2012, May 2012.

Shah N. Nipa’s List: Free Google Sites: The Virtual File Cabinet in the Cloud. Submitted abstract and presented poster to University of Florida Health Science Center Research Day, Jacksonville, March 2012, May 2012.

Haddad C. Clinical Office Procedures. San Francisco de Macoris Medical School, Dominican Republic, March 4, 2012.

Scuderi C. Teaching Medical Students about Chronic Disease Registries, accepted to be presented at the 38th Annual STFM Conference on Medical Student Education, Long Beach, CA, February 2-5, 2012.

Shah N. Free Google Sites, The Next Family Medicine Handbook, accepted to be presented at the 38th Annual STFM Conference on Medical Student Education, Long Beach, CA, February 2-5, 2012.

Scuderi C and **Shahady E.** Diabetes and Hypertension. Presented to Florida Academy of Family Physicians Winter Retreat, Amelia Island, Florida, December 2011.

Webb F, **Khumbhandani J**, **Balls-Berry J.** African American Women's Readiness to Change Eating Habits: Results from the Listening to Our Voices Study. Accepted as an oral presentation to *Society for Public Health Education's (SOPHE's) 62nd Annual Meeting (Leveraging the Power of Health Education: Changing Systems)*, October 27-29 2011, Arlington VA.

Scientific and National Service

Webb F. Invited to Serve as a Member, US Department of Health and Human Services Offices of Minority Health Regional Equity Council, West Palm Beach, FL, August 23-24, 2011.

Webb F. Invited Reviewer, NIH National Institute on Minority Health & Health Disparities (NIMHD), September 19-21, 2011.

Academic Year 2010–2011

Grants

Webb F, Principal Investigator. *Robert Wood Johnson Foundation* : New Connections: Increasing Diversity of RWJF Programming - Midcareer Consultants. A Brief Proposal, submitted to, May 2011; not funded.

Hall A, Principal Investigator, **Webb F**, Co-Principal Investigator. *Aetna Foundation*: The Relationship between Primary Care Medical Homes, Patient Engagement, and the Processes and Outcomes of Care among Individuals Living with Diabetes: A Proposal. Submitted January 2011; awarded April 2011.

Webb F, Principal Investigator, **Haddad J**, **Haddad C**, **Oosterman S.** *The Bristol-Myers Squibb Foundation*. The Diabetes Education Empowerment Program [DEEP]. Submitted January 2011; not funded.

Stewart E, Principal Investigator. *The Sontag Foundation*: Childhood Obesity Pilot Program. Submitted September 2010, not funded.

Stewart E, Principal Investigator. *Blue Foundation for a Healthy Florida*: Shands Jacksonville Mobile Health Unit. Submitted September 2010, not funded.

Stewart E, Principal Investigator. *Jessie Ball DuPont Fund*: Shands Jacksonville Mobile Unit, Submitted September 2010, awarded \$150,000.

Lee K, Principal Investigator. *AADE*: Integration of Diabetes Self Management Education into a Patient-Centered Medical Home. Submitted October 2010, awarded \$64,995.

Lee K, Stewart E, McCatty S, Principal Investigators. *Aetna Foundation*: Keep it Movin. Submitted November 2010, not funded.

Lee K, Stewart E, Principal Investigators. *Bristol Myers Squibb Corporation*: Diabetes Rapid Access Program: Improving Outcomes for African American Women with Uncontrolled Diabetes. Submitted January 2011, not funded.

Lee K, Principal Investigator. *Robert Wood Johnson Foundation*: Amos Faculty Development. Submitted March 2011, not funded.

Stewart E, Principal Investigator. *Rotary Club of Jacksonville*: Shands Jacksonville Mobile Health Unit. Submitted March 2011, pending.

Stewart E, Principal Investigator. *Alfred I DuPont Foundation*: Brown Bag Luncheon Program. Submitted March 2011, awarded \$20,000.

Stewart E, Principal Investigator. *Elton John AIDS Foundation*: Commonwealth HIV Medical Home Initiative. Submitted May 2011, not funded.
