The University of Florida College of Medicine –Jacksonville, is seeking applicants for Chief of the Division of Hematology and Medical Oncology.

This is a 1.0 FTE position reporting to the Chair of the Department of Medicine.

Responsibilities include overseeing clinical care delivered by faculty within the Division, promoting investigator-initiated scholarship, and engaging in training of house staff and students. The Division currently comprises four board certified faculty members. Substantial commitments of space and resources will be available for the successful candidate to expand Divisional activities.

Candidates must be board certified in both Hematology and Medical Oncology with a track record in clinical and/or basic science research, as well as training residents and fellows. Additional qualifications include a broad vision and excellent interpersonal skills.

Appointment will be at the tenure or non-tenure accruing level of Associate/Full Professor, based on qualifications.

Applications will be accepted until the position is filled.
