

COVID-19 Testing for Duval County Residents

Telescope Health

If a pediatric or adult patient lives in Duval County and receives a testing order from Telescope Health, he/she will receive an appointment to go to the drive-thru testing site at the Prime Osborn Convention Center in downtown Jacksonville.

Individuals must complete a screening and **receive a physician order through Telescope Health in order to participate**. No walk-ups without prior Telescope Health screening will be accepted.

Location: Prime Osborn Convention Center, 1000 Water St., west parking lot

Federally-Sponsored Testing Site

Individuals must have an on-site temperature of 99.6 degrees or higher and also exhibit respiratory symptoms to be tested.

First responders and health care workers who have direct contact with patients will be tested regardless of the presence of symptoms (fever, cough, difficulty breathing).

Location: TIAA Bank Field, Lot J (southwest lot)

Ascension/St. Vincent's

Patients must be **pre-screened by an Ascension provider** before they are directed to the testing site. Patients may also use the Ascension [Online Care website](#) for a screening.

Location: Determined in pre-screening consultation
