Resident Manual

PARKING RULES AND REGULATIONS

Parking Registration

1. Parking Services is responsible for issuing decals and permits for parking on campus and for collecting parking fees.
2. Upon submitting a completed application, a copy of a current vehicle registration and signing the parking policy, you will be issued an access card and decal for your vehicle.
3. Parking cards are the responsibility of the cardholder. They are not transferable and are not to be defaced. A lost card is \$10.00. Decals must be affixed to your left rear window of your vehicle. Decals should be removed and returned to Parking Service when a vehicle is sold.
4. The posted speed limit in the parking decks and surface lots is 10 MPH. The speed limit on campus is 15 MPH. These limits are strictly enforced.
5. Parking violation citations for parking in an unauthorized space (including visitor parking) will be referred to the Office of Educational Affairs for payment of fine and disciplinary action.
6. You will receive a parking ticket if you park in the Red Reserved area if you do not have a "red reserved" sticker on your car. Parking a non-compact car in a compact car space will also result in a ticket.

Resident Parking

Resident parking is provided in the North garage ONLY, free of charge by Shands Jacksonville. The first and second levels are RED zones and are off limits, but all other spaces are available for parking. The University of Florida provides the funding for all residents' decal/permits.

Shands has provided several designated spots on the first floor of the North Garage intended for the convenience and use of residents/fellows taking home call, who are called into the hospital.

NOTE: Residents are also permitted to park in the Red Reserved parking spaces in the North Parking Garage from 7pm to 7am Mon-Thurs and from 7pm Friday until 7am Monday. As these are otherwise reserved/assigned spaces during normal business hours, you may not remain parked in these spaces after 7am during weekdays. Individuals parked in the Red Reserved parking spaces after 7am during weekdays will be ticketed.
